

1 April 1987

MEMORANDUM FOR: Chief, Processing & Analysis Technology Group

VIA: Chief, Investigations Group

FROM: [REDACTED]  
Chief, Polygraph Division

SUBJECT: Memorandum of Understanding - ORD Representative  
Auditing Classes of CIA Polygraph Course [REDACTED]

1. Informal discussions have occurred within Polygraph Division (PD) and ORD regarding the merits of having [REDACTED] attend selected classes of the CIA Polygraph Course beginning 6 April 1987. [REDACTED]

2. PD representatives, while believing that the most desirable situation would be for [REDACTED] to attend the entire course, recognize the constraints this would impose on [REDACTED] performing his normal workload. Consequently, the attached listing of class dates represents the essential classes that [REDACTED] should plan on attending in order to obtain a very basic understanding of polygraphy. The entire course curriculum is also provided as an attachment, and Mr. [REDACTED] is encouraged to attend other classes from the course as his schedule permits. [REDACTED]

3. Polygraph Division welcomes the opportunity to provide [REDACTED] with training that will increase his knowledge for monitoring polygraph research contracts sponsored by ORD. [REDACTED] can direct any questions he may have about the course through [REDACTED]
